MINERAÇÃO CORCOVADO

A Mineração Corcovado é uma das maiores empresas do Brasil especializada em pesquisa, extração e comercialização de rochas ornamentais.

Uma vantagem competitiva da empresa é o grande número de pedreiras próprias que permite garantia de fornecimento contínuo de mais de 60 diferentes tipos exclusivos de materiais.

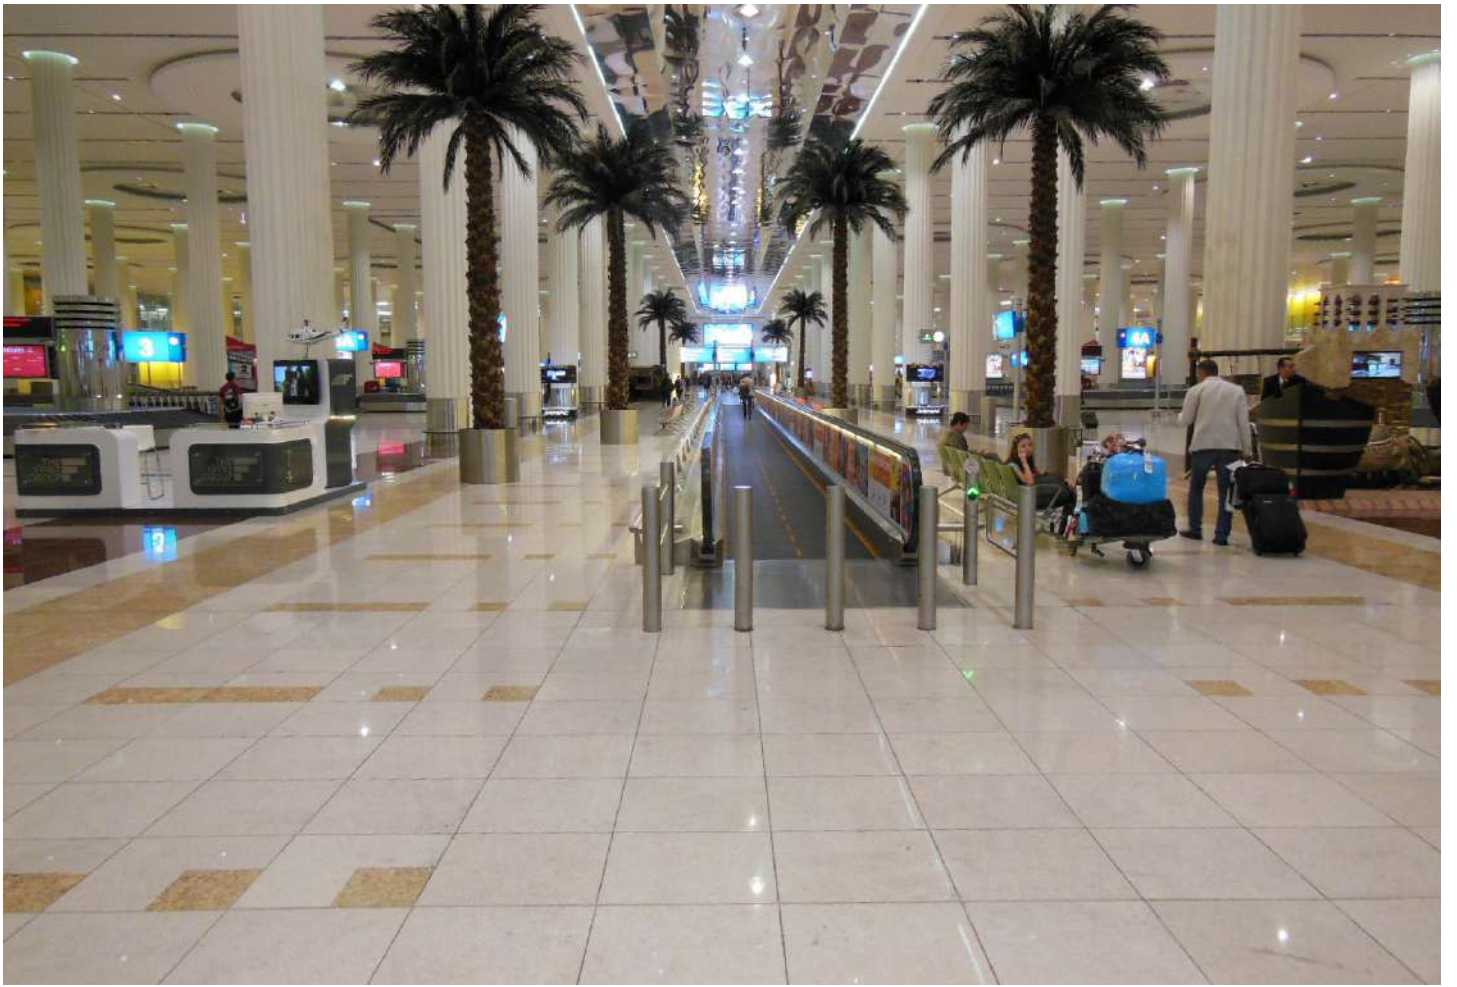

A empresa possui know-how em grandes obras e acabamentos diversos e faz exportação de blocos para a Europa e Ásia.

Mineração Corcovado is one of the largest companies in Brazil specialized in research, extraction and commercialization of ornamental stones.

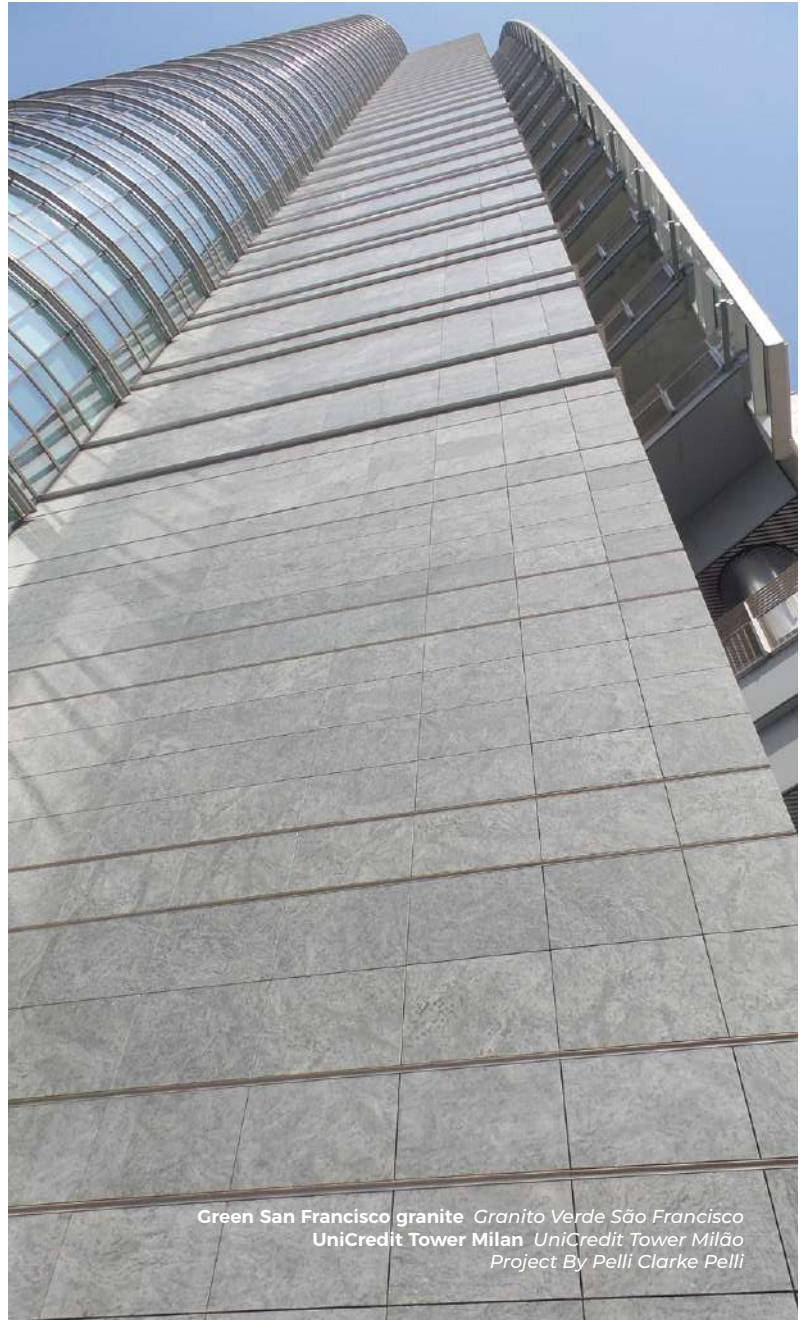

A competitive advantage of the company is the large number of self-owned quarries that allows a guarantee of continuous supply of more than 60 different types of exclusive materials.

The company has know-how in major projects and various finishes and exports blocks to Europe and Asia.
