Corcovado

A Mineração Corcovado é uma das maiores empresas do Brasil especializada em pesquisa, extração e comercialização de blocos de granitos. Uma vantagem competitiva da empresa é o grande número de pedreiras próprias que permite fornecer mais de 30 diferentes tipos exclusivos de granitos.

Corcovado

Mineração Corcovado is one of the largest Brazilian companies specialized in research, extraction and commercialization of granites blocks. The large number of own quarries, gives the company a competitive edge in the market, allowing Corcovado to offer over 30 different exclusive types of granites.
